

## 2021 Action Team Update

# Building Education to Employment Pathways for Disconnected Youth

*United For Brighter Futures*

# Birth to 22: Building Education to Employment Pathways for Disconnected Youth

## CHARGE & LEADERSHIP

- Refresh, or Create an **Asset Map** of employment services for youth seeking employment ages 16-22 years old.
- Use Asset Map to create a **Centralized Hub** for youth to enter, navigate the pathway, and become connected.
- Communicate the centralized hub for all to **access** – any hour / any day.

## TARGET WORK FOR 2021

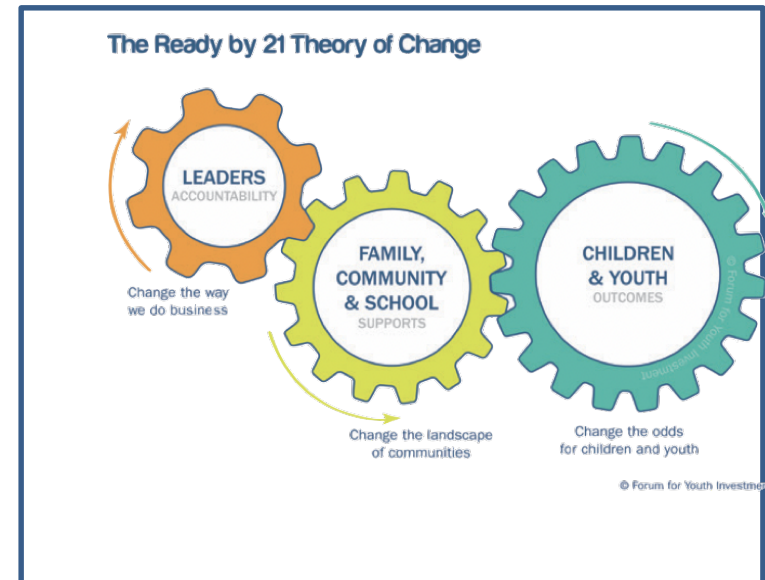

- Data: Last data source was 2018 B22 *United for Brighter Futures Report*. Currently working with SDPBC and CareerSource PBC to obtain data
- Asset Map: Obtained 2016 Asset Map from Achieve PBC.
- Currently reviewing the map, or repeating the process to recreate map with updated providers with assistance from Florida Atlantic University.
- Central Hub: digitized map through QR coding, social media, or smart phone application.
- Communication: actively promote new hub (pathway) for youth and community to access.

## LET'S PARTNER...

- Do you have data we should use based on the target youth population?
- Connect us with PB *Tech Groups*, or Businesses who can help bring innovation to the development of asset map.
- Who else should be on our Action Team?
- Funding may be required to build the infrastructure (team *will communicate needs once mapping process is determined*).
- Help us promote the new pathway.
